Round Table Discussion

AMHA – registration numbers are down; coaching numbers are down; ice is booked to start for September 7th, each team will have 1 ice time per week; when the 2nd arena opens then each team will have 2 ice times/week; South River and Sundridge arenas will have the same Covid protocols in place as last season; the league did not have a good experience playing in the northern loop (Health District) last season

Huntsville – registration is still open; no numbers yet but looks promising; dressing rooms will be open; ice times will stay the same; waiving late fees for registration

HS – changing to e-game sheets; numbers are low; 1 LL for each level; have two overage players that require approval to play down; Haliburton is allowing 30 participants on the ice and 50 spectators; referee shortage; may not be able to host a home tournament this season; will be hosting preskates to encourage numbers

PS – no access to dressing rooms; 30 participants per game; 60 spectators per game; registration numbers down; September 7 skate, still finalizing ice times; Bobby Orr arena players need to come dressed; not yet sure of team numbers

SM – numbers are good, currently 3 to 4 teams at each level; schedule September 7 to 24 for clinics; will be unable to follow new Rep schedule for two seasons; all games will be in Gravenhurst and practices in Bracebridge; egame sheets; Fair Play is agreed

VP – n/a

MR – numbers are down; no Midget teams this season; 1 LL team per age division; ice open September 7; all three arenas open but not yet certain of Covid protocol; all practices to be 1 ½ hours; using e-game sheets; dressing rooms open
