Tyke 3 on 3 Rules of Play

Section One: Governing Play

- (a) The "Fun Day" is sanctioned by the OMHA and where applicable all Hockey Canada/OMHA rules are in effect unless otherwise stated.
- (b) The Convenor has final authority concerning all rules and regulations including, but not limited to, suspensions, expulsions and general discretion of conduct. All decisions made by the convenors are final.
- (c) Travel permits are required for all teams outside the OMHA area.

Section Two: Teams

- (a) Only registered players on team rosters.
- (b) A team shall be composed of seven players - (6) skaters and one (1) goalie.
- (c) Teams must start the game with a minimum seven (5) players ie. 5 skaters and a goalie; or they forfeit the game and points.
- (d) Each team will play with four (4) players on the ice.
- (e) Players do not change during the 1:30 minute shift.

Section Three: Replacements & Reserves

- (a) Notification must be given to the Convenor and/or opponent prior to the use of Replacements. Failure to give proper notification may result in forfeiture and possible suspension.
- (b) Replacement players may only be used for emergencies or potential emergencies to meet the minimum, not to fill the benches unless approved by Convenor and/or opponent.
- (c) Unregistered players may NOT be used for any reason.

Section Four: Rules of Play

- (a) All games will be NON-BODYCHECKING.
- (b) All games will be 1- twenty- four minute running time period.
- (c) Face-offs will occur only at the beginning of the game or in case of coincidental penalties (see Minor Penalties).
- (d) When play is stopped due to the goalie controlling the puck or a goal was scored, a whistle will signal the attacking players to vacate the zone. Once all the attackers have exited the zone (Half ice), the players may re-enter to resume play immediately. They may not challenge the opposition until they have all exited the zone. Attacking prematurely may result in a penalty for the offending team.
- (e) There is no centre-ice (red) line, and therefore no icing calls or offside passes.
- (f) Teams do not switch ends during the 24 minute game.
- (g) One referee (will not be carded – volunteer) will be monitoring each game to ensure rules followed. An official scorer will be responsible for keeping score of each game.
- (h) Tie games will be decided by a sudden victory shoot out format. A player from each team will get one shot on the opposition goalie. If it is still tied then each team will provide one new player until a winner is decided.
- (i) Coaches are responsible for the conduct of their players on and off the ice, making sure that their team is on time and keeping the dressing rooms clean.

Section Five: Shifts

- (a) Player shifts will be one and a half minutes (1:30) in length. A buzzer will sound to signal the end of each shift.
- (b) Players must remain behind the divider boards until the sound of the buzzer.
- (c) Once the buzzer sounds, players must relinquish control of the puck immediately and vacate the ice. The new players may enter onto the ice surface immediately.
- (d) In the case of a shortened bench due to injury or ejection(s), at the sound of the buzzer all players must make contact with the divider boards; the double-shifted player(s) may then rejoin the action after having touched the divider boards.
- (e) Failure to immediately relinquish control of the puck at the sound of the buzzer or new players entering the ice surface prematurely may result in a penalty (see Minor Penalties) for the offending team.
- (f) If the buzzer is to sound during the course of a penalty breakaway situation, the clock will be held and the players will be allowed to finish the exercise, but must vacate the ice at the sound of the buzzer.
- (g) In the absence of a goaltender, teams will play with four (4) skaters. The fourth skater may not exit their zone except to change or in the last shift of the game. Fourth skaters are not required to change on the buzzer and can change at any

time.

Section Six: Minor Penalties

- (a) All penalties will result in an immediate breakaway situation for the offended player. The referee will place the puck on the centre face-off spot and the remaining players will line up, stationary, on the divider boards. Play will commence on the referee's command and the shift resumes as normal. If the offended player is injured and unable to perform the breakaway, the coach will assign one (1) player from the ice to replace that player.
- (b) Coincidental penalties shall result in a faceoff at centre ice.
- (c) Any player having been assessed three (3) minor penalties in the same game will be automatically ejected from that game.
 - i. Players ejected with five (5) minutes left to play in the game shall be assessed a further game misconduct.
 - ii. If a player is ejected during a second game under the same circumstances as (c) that player will be served a further one (1) game suspension.
- (d) Body checking penalties will be deemed as two (2) offences on the score sheet only. Two (2) body checking penalties in the same game will result in the immediate ejection from that game plus a further game misconduct.
- (e) If there is a delayed penalty and the offended team scores, the penalty is still recorded to the timekeeper.

Section Seven: Major Penalties

- (a) Major penalties will result in the immediate ejection of the offending player(s) and suspension pending further review by the Convenor.
- (b) Fighting majors will result in the penalized players being expelled from the Fun Day.

Section Eight: Coaches, Managers

- (a) Up to (3) three coaches, assistants or trainers may be on the benches. All bench staff must be properly rostered with Hockey Canada.
- (b) Coaches are required to make every effort to ensure EQUAL ICE TIME for all 3 on 3 participants and there is to be no shortening of the bench.
- (c) Any bench personnel having been ejected from a game, for any reason, will be automatically suspended for the remainder of the Fun Day. INAPPROPRIATE BEHAVIOUR, CONDUCT OR LANGUAGE WILL NOT BE TOLERATED!

**** NOTE: PLEASE ENSURE THAT ALL ON-ICE STAFF (Coaches, trainers, etc...) HAVE A HELMET ON AT ALL TIMES!!**

The tournament organizers will make every effort possible to ensure that the teams are evenly matched. The purpose of this tournament is to provide a fun and educational experience for all participants involved.
