Tie Breaking Procedure (If required) Following Round Robin Play

If two or more teams are tied in the tournament standings after their three round robin games, the following will be used to determine the higher finishing team.

1. The winner of a head to head game in the round robin would finish higher.
2. The team with the least penalty minutes after the round robin would finish higher.
3. The team with the least goals against after the round robin would finish higher.
4. The team with the most goals for after the round robin would finish higher.
5. A coin toss will decide the higher finisher.

Play Hard. Play Safe. Have FUN!!
