## A Letter From The League

With another Championship weekend and this season a newly added Jamboree weekend for our U9 group upon us, I just want to take a minute thank everyone once more for all of the hard work that goes into a Local League season. As with any volunteer organization it takes a great amount of time and commitment by very dedicated individuals to keep (or try to keep) things running smoothly.

Thank you again to our excellent Executive Board, made up of volunteers from each of your centres for lending their valuable time this season.

The number one thank you however goes to all of the parents players, coaches and volunteers who continue to help out with our great game. We can plan and schedule all we like but without your time and commitment week in and week out, game in and game out it would all be for not.

To say it has been a crazy and frustrating couple of minor hockey seasons would be an understatement! However, through these trying times and while no season is ever perfect, I hope that the hours we all were able to get in at the rink were enjoyable.

We have always tried to be an innovative and forward thinking league and I personally am very proud of where the MPSLL has come in such a short time. Our league continues to grow and attract new players and I am excited at what lies ahead for Local League hockey.

Finally, I wish everyone a safe and fun final weekend. Please enjoy the games from wherever you are, be it on the ice, on the bench or in the stands. Cheer loud!

**Play hard and play fair.**

Yours in hockey,
