## Muskoka Parry Sound Local League Meeting Minutes

Why is the league not putting playoff games in OneDB?

- Too many games played in last weekend, which should have been left open.
- We asked that the last weekend be left open for last minute games.
- An unprecedented high amount of games left to the end of season and created a huge problem.
- Some scheduled league games were not even played. All centres were asked to play 18 games, yet some teams did not complete their league scheduled games and played only 17 games.

Why is championship weekend schedule coming out so late? What caused delay?

- League games were moved, pushed, rescheduled or cancelled.
- All our faults. We should have had fines to centres for rescheduling games.
- At our Scheduling Meeting we stated to avoid scheduling games on the last weekend of February. Yet there were 54 games in last 2 weeks; 36 games in last week, and some games still to be played.
- If we got the games in early, we could have had teams in pools earlier.
- Regular season games were still not uploaded or were uploaded last minute. Statistician had to manually enter gamesheets.
- Statistician had to do manual statistics.
- Statistician had to enter in 82 Gamesheets manually because centres were not done games up until the Monday before Championship weekend.

Why were there game changes? Reasons: Refs? Weather?

- Why didn't centres reschedule the cancelled games right away? Was it a forfeit?
- Centres needs to communicate game changes much earlier to MPSLL.
- Need to communicate to league if a centre didn't reschedule a cancelled game.

### **3 ) Reminder - Any Player and/or Bench Staff Suspensions will carry over into Playoffs.**

- Reminder sent out to your teams: If you had a player out for 3 games, you must still serve suspension in playoffs. Suspensions continue to be served in playoffs.
- If a coach plays a player who is suspended, the coach is suspended for playing an illegal player. Please document suspensions carefully.
- Gamesheet tracks served suspensions, ie. 1 of 3. Pat and Debbie get notified of suspension served, if entered correctly.
- If suspension received during playoff, it needs to be served at the next game(s) and recorded as served on the gamesheet.

What does a suspension entail?

- Always ask about penalties if unsure; Better than getting a suspension. Ask Playoff host site Coordinator. Coordinator will contact Debbie and Pat.
- Referees will not answer questions about suspensions. You can ask the referee what is the penalty code.
- Pat will be home all weekend and will be on call or text.

Uploading playoff scores:

- Individual scores use iPad Gamesheet Inc
- All gamesheets must be uploaded by Saturday night in order for Debbie to update brackets and update gamesheets.
- Your Coordinator keeps a manual copy of brackets, updated at the arena.

### How to set up Live Feed?

- Timekeeper to turn on wifi and Select Live Scoring on iPad
- If Live Scoring is causing a problem for timekeepers, go back to Offline Scoring mode

### Gamesheet Stats: Are they able to do 2 Pools?
